

21st Quinquennial Congress Prayer

This is the Easter of St. Francis

A new beginning to rekindle the flame of our vocation.

In the gentle footsteps of our Seraphic Father:

*Let us recall that our vocation
is a daily commitment to live the Gospel.
May we embrace the Holy Spirit's presence
as we cherish the beauty of God's creation,
and extend our whole beings to all living things in need.*

In the spirit of St. Francis:

*Let us radiate Jesus' love
through our actions, words, and silence,
as our charism calls us
to be instruments of peace.*

This is the Easter of St. Francis:

*May our hearts beat with an
ever-rising passion for our Franciscan charism.
May we rekindle the flame of commitment
to our Rule, to deepen our prayer life,
and to embrace the spirit of fraternity among ourselves.*

The Easter of St. Francis: Rekindle the Flame.
